What is A Baby's Breath?

- *A Baby's Breath* is a registered 501(3)c nonprofit where our mission is: **“Helping mothers see their baby take his/her first breath”.**
- Since starting in August 2000, *A Baby's Breath* has grown to 5 Pregnancy Counseling Centers
- Core services include:
 - Pregnancy Counseling
 - Prenatal Classes
 - Parenting Classes
 - Baby Store
 - Ultrasound Machines (2 locations)
- One center is also a temporary home for homeless expectant women. The funds raised from the first two golf outings were a major contribution to that program!
- Our costs are kept to a minimum through volunteer Directors, General Managers, Donation Coordinators and our most valuable Advocates.

What is the Independence Program?

- The goal of the Independence Program is to help our clients become productive and loving parents, independent of government support services.
- The program will have incentives going into a long-term investment fund. These incentives will reward clients for taking positive, responsible steps towards creating a better lifestyle for themselves and their families.
- It will help them make wise choices for their education, job training and entrepreneurship.
- Every client at A Baby's Breath is eligible to get assistance in resume building, job searches, and job training.
