A BABY'S BREATH MISSION AND CHARTER

ARTICLE 1:

The guiding principle of A Baby's Breath: *"To help a mother to see her child take his/her first breath."*

ARTICLE 2:

The philosophy of A Baby's Breath is:

1. To support the mother and child in a time of crisis pregnancy to find all available resources.
2. To consider education as the foundation for a family's economic stability.
3. To reject the contraceptive mentality which separates life and love and produces unwanted children.
4. To be a Catholic and Christian organization that recognizes children as gifts from God, and Jesus as the path to salvation.
5. To recognize the impact of a crisis pregnancy on fathers and family members.

ARTICLE 3:

The operating principles of A Baby's Breath and every one of its affiliates, members, and volunteers shall be:

1. TO KEEP ALL SERVICES CONFIDENTIAL.
2. To never give a recommendation for, help or refer for an induced abortion, directly or indirectly.
3. To have no affiliation with any organization affiliated with, or providing benefit to any abortion provider.
4. To reject the use of any depictions or images of aborted children.
5. To strengthen a mother (or father) through education to be able to provide for the child if she/he chooses to parent the child.
6. To advise women to consider a chaste lifestyle.
7. To help mothers, fathers and families who are not yet formed in the Faith.
8. To treat every woman in a state of crisis pregnancy with respect and love.
9. To give services and help without charge.
10. To remain strictly and completely separate from all lobbying groups, and from activities affecting abortion legislation.
11. To refer for adoptions to Catholic and Christian organizations.
12. To support fathers and family members.
13. To help girls tell their parents about their crisis pregnancy.
14. To refer women with drug/alcohol addiction to appropriate agencies.
15. To refer mothers/fathers to independent, state-licensed day care facilities.
16. To act in compliance with the guidelines in the operations manual of A Baby's Breath, as amended.
17. To advise/recommend a Sacramental life.
